

---

**Goal 4:** SAU 41 will develop and implement consistent practices for teaching grade-appropriate 21<sup>st</sup> century skills.

**Strategy 4.1:** Research best practices surrounding 21<sup>st</sup> century learning skills.

**SMART GOAL:** By April 2013, SAU 41 will create a best practices research team.

**Deliverable:** The Superintendent's report will reflect the establishment and composition of the best practices research team.

---
